

Intersolar presentation schedule – learn more about us and our products:

Wednesday 19th

10:00 – 10:15h – Rebranding – Sunova Solar becomes Thornova Solar

10:20 – 10:35h – Agrivoltaics – the new dual land use application

10:40 – 10:55h – Alpine and In-Roof applications – specialty products by ALP

11:00 – 11:15h – Garden and balcony systems – energy transition for everybody

11:20 – 11:35h – Solar fencing systems by Lieckipedia – using all the space

11:40 – 11:55h – Digitizing PV for added value by Neoom– total system optimization

12:00 – 12:15h – Rebranding – Sunova Solar becomes Thornova Solar

12:20 – 12:35h – Agrivoltaics – the new dual land use application

12:40 – 12:55h – Alpine and In-Roof applications – specialty products by ALP

13:00 – 13:30h – PVEL TOP Performer Award ceremony – press lunch

14:00 – 14:15h – Garden and balcony systems – energy transition for everybody

14:20 – 14:35h – Solar fencing systems by Lieckipedia – using all the space

14:40 – 14:55h – Rebranding – Sunova Solar becomes Thornova Solar

15:00 – 15:15h – Agrivoltaics – the new dual land use application

15:20 – 15:35h – Alpine and In-Roof applications – specialty products by ALP

15:40 – 15:55h – Digitizing PV for added value by Neoom– total system optimization

16:00 – 16:15h – Garden and balcony systems – energy transition for everybody

16:20 – 16:35h – Agrivoltaics – the new dual land use application

16:40 – 16:55h – Alpine and In-Roof applications – specialty products by ALP

17:00 – 18:00h – Beer reception

Thursday 20th

10:00 – 10:15h – Rebranding – Sunova Solar becomes Thornova Solar

10:20 – 10:35h – Agrivoltaics – the new dual land use application

10:40 – 10:55h – Alpine and In-Roof applications – specialty products by ALP

11:00 – 11:15h – Garden and balcony systems – energy transition for everybody

11:20 – 11:35h – Solar fencing systems by Lieckipedia – using all the space

11:40 – 11:55h – Digitizing PV for added value by Neoom– total system optimization

12:00 – 12:15h – Rebranding – Sunova Solar becomes Thornova Solar

12:20 – 12:35h – Agrivoltaics – the new dual land use application

12:40 – 12:55h – Alpine and In-Roof applications – specialty products by ALP

13:00 – 13:30h – ALP JV signing ceremony – press lunch

14:00 – 14:15h – Garden and balcony systems – energy transition for everybody

14:20 – 14:35h – Solar fencing systems by Lieckipedia – using all the space

14:40 – 14:55h – Rebranding – Sunova Solar becomes Thornova Solar

15:00 – 15:15h – Agrivoltaics – the new dual land use application

15:20 – 15:35h – Alpine and In-Roof applications – specialty products by ALP

15:40 – 15:55h – Digitizing PV for added value by Neoom– total system optimization

16:00 – 16:15h – Garden and balcony systems – energy transition for everybody

16:20 – 16:35h – Agrivoltaics – the new dual land use application

16:40 – 16:55h – Alpine and In-Roof applications – specialty products by ALP

17:00 – 18:00h – Beer reception

Friday 21st

10:00 – 10:15h – Rebranding – Sunova Solar becomes Thornova Solar

10:20 – 10:35h – Agrivoltaics – the new dual land use application - Alejandro

10:40 – 10:55h – Alpine and In-Roof applications – specialty products by ALP

11:00 – 11:15h – Garden and balcony systems – energy transition for everybody

11:40 – 11:55h – Rebranding – Sunova Solar becomes Thornova Solar

11:40 – 11:55h – Agrivoltaics – the new dual land use application

12:00 – 12:15h – Alpine and In-Roof applications – specialty products by ALP

12:20 – 12:35h – Garden and balcony systems – energy transition for everybody
